	Sprint1		
Meetings	Date	Minutes	Description
1	2024/02/02	1h (3pm-4pm)	This is the first lab where we first started discussing our project approach. We decided which frameworks and services will be integrated. We also decided on how we wanted to give our web application it's own uniqueness compared to other car rental companies.
2	2024/02/07	4h (10 am to 2pm)	In this meeting minute, we seprated the work for sprint 1 between the different team members. There were some ideas given about how the web application should look like and the third party services that will be needed.
